Driving to RID SUIDS

Hole Sponsorship \$200

It's a phone call nobody ever wants to receive regarding their own child. On October 2nd Bob and Gina received a call that changed their lives forever. Their beautiful baby girl, Laiken Ann Marie Skeltis, just 3 months old passed away. Why her? She was as healthy as can be and had a smile that would brighten up a room and she even started belly laughing! It was a few long months to get the medical examiner report back and the cause of death was SUIDS. What is SUIDS exactly? Sudden Unexpected Infant Death Syndrome is the number one cause of death for babies between the age of 1 month to a year old. It's a syndrome that has no answer and can devastate a family for the rest of their lives.

A professionally made sign with your logo (if provided), address and/or phone number will be placed at a tee box throughout the course and a list of sponsors will be distributed to the golfers.

Bob and Gina are trying to make a negative into a positive and make as many people as possible aware of such a horrible syndrome and develop more research into why SUIDS happens. All proceeds from your hole sponsorship will go to a charity or awareness group of Bob and Gina's choosing. Maybe one day they might begin their own awareness group and help others who are going through the same thing they face each and every day.

Payment due August 15th. Please make check payable to *Links For Lakers* and mail to: 42814 McCarthy Blvd., Clinton Township, MI 48038.
